RE:

Wynn Resorts International 817 5th Avenue, NY,NY Water Damage 12/29/04

Dear Ms. Young:

I am writing to follow up on the status of the claim submission for the additional damage at the New York City apartment. In addition, the carriers have asked me to inquire regarding the status of the replacement cost claim for the withheld depreciation.

I have also been instructed to notify you that if the carriers do not receive the requested information within 30 days, they will assume that you do not wish to pursue this matter and they will close their file.

In the meantime, this letter is not intended to waive any of the terms, provisions, or conditions of the insurance policy. Neither is it intended to waive any of the carrier's rights or defenses under the policy or at law.

Sincerely,

JAMES E. PODESVA RPA

Jim, to reiterate once again, all work with regard to the water damage is complete. The apartment is in the middle of the renovation not related to the claim. This has been communicated to you on several occassions. With regar to invoices, you need to contact Tishman construction, as they are waiting to get paid. The Wynn's have not invoices.

As you can imagine, I am most anxious to receive the rest of the funds. Please let me know how I can assist further.

thank you.

Linda and Sean.

Pat McGinley just rang to let me now that the water damage repairs have been finished. He wanted me to let you know what information is needed to conclude the replacement cost claim to release the depreciation holdback. He also asked about the status of the reinspection.

The reinspection we discussed a few weeks ago was part of AIG quality assurance program, and was not tied to the settlement of the claim. The person performing the reinspection has been working on other matters, and I have not heard from him in some time. I will call him today to see if he still wants to see the property. He may change his mind after he learns that the repairs are completed.

As for the replacement cost claim, I will need to document that the work performed exceeds the amount of the agreed replacement cost claim, which was \$208,665.61. Usually, the insurers want to see copies of paid invoices that support these amounts. In addition, the insurers usually request a reinspection of the property (this is different from the Quality Assurance reinspection discussed above) to confirm the repairs were completed, and I will check with AIG to see if they will need that done to release the holdback of \$9,214.34.

Please let me know if the invoices are available and I will let you know once I have received additional instructions from AIG.

Dear Mr. Podesva,

We represent Mr. and Mrs. Steven Wynn in the above referenced matter. As discussed in our correspondence dated March 17, 2006, we hereby submit this claim and supporting documentation on behalf of Mr. and Mrs. Wynn in the amount of . This amount represents construction costs, furniture replacement and professional fees associated with the work performed on the Wynn's residence as a result of the events of December 29, 2004. The chart below shows the total amount of work done and the amount requested by Mr. and Mrs. Wynn.

Attached hereto as Exhibit A are invoices reflecting the construction performed by Loffredo Brooks Architects P.C. including expenses associated with the removal and replacement of furniture. Attached hereto as Exhibit B is a copy of the letter sent by York on April 8, 2005 and the supporting documentation for York's adjustments for the immediate remedial work performed by Tishman. Many of the adjustments were made with no concrete explanation and suggest that the water damage and all subsequent damage directly connected to the flood, was only limited to certain areas of the apartment and a certain square footage of carpet. This is untrue, as the damage and other hazardous effects resulting from the flood affected the entire residence. In addition, the damage to the carpet resulting from the flood required the entire carpet to be replaced, as the carpet cleaning did not remove all pollutants and did not remedy the resulting carpet discoloration. Attached hereto as Exhibit C is the invoice of PAL Environmental Safety Corp. for asbestos remediation. Attached hereto as Exhibit D is the invoice of Vadco Contracting Services in connection with the apartment remediation. Attached hereto as Exhibit E are pictures of the damage to Mr. Wynn's apartment that were previously sent to you under separate cover by Tishman

We look forward to an amicable resolution of this matter. As always, please feel free to call me to discuss this matter further. Thank you.

Re:

Wynn Resorts International 817 5th Avenue, NY, NY Water Damage of 12/29/04 York Claim No. SLA-0151A9

Dear Mr. Slotnick:

It was a pleasure to meet you last week. Thank you for arranging a conference with the contractor and architect who completed the work at the Wynn apartment. During this meeting, I identified several documents that would assist me with the review of the supplemental claim submission. These documents include the following:

- A complete list of all payments made in connection with the work (including the work by Tishman and Richter + Ratner) at the apartment after the water damage of December 29, 2004. It will be helpful if this information can be provided in an excel spreadsheet. I will review the information on the spreadsheet and identify any copies of any of the actual invoices that might be needed.
- A complete copy of the "project book" referred to by the architects. I understand that
 this project book included a scope of work with all subcontractor bids that were received
 before the contracts on this job were awarded.
- · A copy of all contracts, including subcontracts awarded for the work at the apartment.
- A complete copy of the architect's plans and scope of work used to prepare the subcontractor bids. Please include any supplemental plans, change orders, job correspondence, or as built drawings that may exist explaining any changes made to the project after the contracts were awarded.
- Please provide dates for the following events:

Mr. Barry Slotnick October 9, 2006 Page 2 of 2

- the date Tishman began and completed the "temporary repairs"
- the date that Lofferedo Brooks were retained
- the date that design specifications began
- the date design specifications were concluded and approved by the Wynn's
- the date subcontractor bids were solicited
- the dated bids were awarded
- the date permits were filed
- the dates construction began
- the date construction ended
- Please include any information (including available photographs) of any damage found by Lofferedo Brooks or Richter + Ratner while the carried out their surveys, fieldwork, or the actual project demolition or reconstruction.

Although we did not discuss this, I would also like to request some specific information about Tishman Construction. Could you please send me copies of all correspondence with Tishman Construction concerning their assessment of the water damage at the apartment?

Please let me know if you have any questions about the information included in this list. Nothing in this letter is intended to waive or modify the terms or conditions of the policy.

Sincerely,

Dear Mr. Stuart:

As we advised in our telephone conversation this morning, our clients, Allied World Assurance Company and Lexington Insurance Company, have considered carefully the additional claim submission made by your clients in connection with the captioned water damage loss. Based upon that review, the insurers are prepared to make a further payment (\$592,786.75) in connection with matching carpet and wall coverings as detailed in the accompanying schedule. The insurers feel no payment is warranted under the terms of their insurance policies as a result of the water damage loss on any of the other items in the supplemental claim that they received. The insurers are also prepared to remit the depreciation holdback (\$9214.35) at this time.

The summary of the claim as approved by the insurers is as follows:

Clean up and water removal	\$	47,387.20
Demolition work completed	\$	36,755.57
Reconstruction costs	\$	133,737.19
Carpet and wall covering supplemental	\$	592,786.75
	-	
Replacement cost loss	.\$	810,666.71

The policy contains a deductible of \$25,000. The insurers have made prior payments that total \$183,665.61. Accordingly, the additional payment our clients are prepared to make in connection with this claim is \$602,001.10. We enclose a Sworn Statements in Proof of Loss for each insurer (under separate tabs in the Excel attachment) for your clients to sign and have notarized to obtain these insurance proceeds. As you will see, these Proofs of Loss reflect the prior payment and deductible.

Finally, as we trust you recognize, we do not intend by this letter to waive any of the terms, conditions or provisions of the insurance policies issued by the captioned insurers or any of the insurers' rights or defenses under those policies or at law. Nor should this letter be construed as an admission of coverage which, of course, must be determined under the terms of those policies.

If you have any questions, please feel free to communicate with us. We look forward to receiving the executed Proofs of Loss.

Very truly yours,

Mr. Steven Wynn Wynn Resorts L.L.C. c/o Barry L. Slotnick, Esq. Buchanan, Ingersoll & Rooney PC 1 Chase Manhattan Plaza, 35th floor New York, NY 10005

Re: Insured: Wynn Resorts, LLC

Insurers: Lexington Insurance Co. and Allied World Assurance Co.

DOL: December 29, 2004

Lexington Insurance Claim No.: 421-004208

AWAC Claim No.: 648-007687

Type of Loss: Property loss at 817 Fifth Avenue, New York, New York

Dear Mr. Slotnick:

This law firm represents the Insurers noted above and we write you in your capacity as counsel to the Insured. As you know, the Insurers and the Insured do not agree on the replacement cost building loss for the above-mentioned property.

We direct your attention to the following provision for Appraisal in the Insured's policy, which reads in relevant part:

Building and Personal Property Coverage Form

E.2. Appraisal

If we and you disagree on the value of the property or the amount of loss, either may make written demand for an appraisal of the loss. In this event, each party will select a competent and impartial appraiser. The two appraisers will select

an umpire. If they cannot agree, either may request that selection be made by a judge of a court having jurisdiction. The appraisers will state separately the value of the property and amount of loss. If they fail to agree, they will submit their differences to the umpire. A decision agreed to by any two will be binding. Each party will:

- a. Pay its chosen appraiser; and
- b. Bear the other expenses of the appraiser and umpire equally.

By this letter and in accordance with the foregoing, we hereby demand an appraisal and name Jonathon C. Held, 277 Willis Ave., Roslyn Heights, NY 11577, (516) 621-2900 as our appraiser. Please notify us of the name of the Insured's appraiser. Once we have heard from you regarding the name of the Insured's appraiser, we will send you a sample agreement for submission to appraisers.

Nothing stated in this letter is intended nor should it be construed to be a waiver of any of the terms or conditions of the policy nor of any rights or defenses available to Lexington Insurance Company or Allied World Assurance Company. Lexington Insurance Company and Allied World Assurance Company specifically reserve all such rights and defenses now apparent or as may become apparent.

Please note that, in connection with this Demand, we plan to file a Motion to Stay proceedings in Steven Wynn et al. v. Lexington Ins. Co. et al., Civil Action No. 07 CV 7604 (PAC), currently pending in the United States District Court for the Southern District of New York, pending the outcome of the appraisal referenced in this letter.

Very truly yours,

Matthew J. Herrington, Esq. Attorney for Insurers

Hon. Naomi R. Buchwald, U.S.D.J. United States District Court, Southern District of New York 500 Pearl Street, Room 2270 New York, New York 10007

Re: Steven Wynn, et al. v. Lexington Ins. Co., et al.

Southern District of New York, Docket No. 07 CV 7604 (NRB)(MHD)

Dear Judge Buchwald:

This firm represents Lexington Insurance Company and Allied World Assurance Company (US) Inc. (collectively, the "Defendants") in the above-captioned matter.

Pursuant to Your Honor's Individual Practices, we are writing in advance of the Pre-Trial Conference scheduled for Tuesday, March 4, 2008, to request that during such Pre-Trial Conference, the Court also conduct a pre-motion conference. Defendants seek the Court's permission to file a motion to stay these proceedings until after the parties have first complied with the Appraisal provision set forth in the Insureds' insurance policies that are at the center of this case (the "Policy").

Indeed, the Policies provide the following clear protocol for resolving disputes concerning the valuation of claims:

E.2. Appraisal

If we and you disagree on the value of the property or the amount of loss, either may make written demand for an appraisal of the loss. In this event, each party will select a competent and impartial appraiser. The two appraisers will select an umpire. If they cannot agree, either may request that selection be made by a judge of a court having jurisdiction. The appraisers will state separately the value of the property and amount of loss. If they fail to agree, they will submit their differences to the umpire. A decision agreed to by any two will be binding. Each party will:

Doc. # NY-12443 v.1

STEPTOE & JOHNSON LEP

Hon. Naomi R. Buchwald, U.S.D.J. February 15, 2008 Page 2

- a. Pay its chosen appraiser; and
- b. Bear the other expenses of the appraiser and umpire equally.

Pursuant to the terms of the Policies, Defendants have duly demanded that the parties submit to an appraisal. However, Plaintiffs have neither agreed to participate in this protocol, nor to a stay of the pending proceedings while an appraisal is conducted. As a result, Defendants are compelled to make a formal application to the Court to compel the appraisal and for a stay.

Defendants' application is not only supported by the explicit terms of the Policies but by well-settled law in this Circuit. Indeed, appraisal is appropriate where the parties' primarily disagree as to the amount of loss or damage, as is the case in this matter (see, e.g., GBC & A. Richardson v. Merrimack Mut. Fire Ins. Co., 2000 WL 297171, at *5 (S.D.N.Y. March 21, 2000)), and this Court has the power to enforce appraisal clauses in insurance agreements pursuant to New York C.P.L.R. 7601. See, e.g., SR Int'l Bus. Ins. Co. Ltd. v. World Trade Ctr. Properties, LLC, 2002 WL 1905968 (S.D.N.Y. Aug. 19, 2002).

When enforcing appraisal clauses, courts often stay the action pending the outcome of the appraisal, the relief requested in this instance. See., e.g., ZAR Realty Mgmt. Corp. v. Allianz Ins. Co., 2003 WL 1744288 (S.D.N.Y. March 31, 2003); SR Int'l Bus. Ins. Co. Ltd. v. World Trade Ctr. Properties, LLC, 445 F. Supp. 2d 320, 330 (S.D.N.Y. 2006) (saying that "a court generally reviews disputed questions of law after an appraisal is complete"). Such a result is especially warranted here where the primary dispute between the parties involves the amount of loss or damage.

Indeed, it would be a manifest waste of the Court's resources to delve into questions of law before an appraisal is complete, especially when the result of the appraisal could render this case moot or lead to a settlement of the claim. Therefore, a stay pending appraisal is in the interest of all of the parties, as well as this Court.

Accordingly, pursuant to Your Honor's Individual Practices Number 2.A., we hereby request the Court to schedule a pre-motion conference concerning the foregoing.

We are available at the Court's convenience to address this matter further.

Respectfully submitted,

Christopher J. Marino
